

Santaquin City
Fire & EMS Department

275 W. Main Street Santaquin, Utah
(801)754-3211 – (801)754-1940

Recreational Fire Pit Guidelines

1. Keep 25 ft. of distance between the fire pit and any structures and/or other combustibles.
2. Fire pit should not exceed 3 ft. in diameter.
3. 18" non-combustible area around pit; mineral soil, gravel, cement, etc.
4. Have an on-site means of fire extinguishment (garden hose, shovel, extinguisher).
5. City Ordinance prohibits the fire if it creates a public nuisance.
6. Fire needs to be constantly attended by an adult.
7. Owner/operator is liable for any damage resulting from recreational fire.
8. No overhead obstructions.
9. Check burn conditions at www.airquality.utah.gov
10. Make sure the fire is completely out when you are done using it.
11. City Ordinances do not allow open burning of combustible waste, garbage, refuse. Violators may be prosecuted.

AS LONG AS THE ABOVE CONDITIONS ARE MET, NO PERMIT IS REQUIRED.
