

Santaquin Recreation:

Youth/Adult Sport Sponsorship Opportunities

Our goal is to provide individuals with a safe and organized environment in which they may experience the many benefits that sports have to offer. We put fun first in our sports and encourage individuals to develop their skills in a recreational atmosphere. Individuals participating in our programs improve self-esteem and confidence, learn about team work and cooperation, improve health and fitness levels, build relationships, develop fundamental skills, and improve existing skills.

We are reaching out to close and local businesses for help to assist us in providing the best experience we can for our teams. We want to make our sports something to remember for all who participate. This is where you can help, by sponsoring we can offer more in our leagues and offer end of season tournaments.

Thank you!
