# MAYOR'S MEMO

Santaquin City Newsletter  
November 2016  
Volume 17 Issue 11, Page 4

My Dear Friends and Neighbors,

As a child, my excitement for the holiday season, knowing Christmas was on its way, was pretty intense. Even today I enjoy the first cool, crisp days of November that signal the coming events, and the warmth of family gatherings and the excitement of our grandchildren. With Thanksgiving just around the corner, Kim and I would like to wish each and every one of you a safe and happy holiday season.

As the weather changes, winds are blowing colder and there is a definite chill in the air in the morning. The snows will fall soon, and our Public Works Department will be actively working to plow our roads so we can travel more safely. To help them with their efforts, I would like to remind all our citizens of our winter parking restrictions, which run from November 1 to March 31. Parking a motor vehicle on public streets is prohibited any time it is snowing, when there is snow in the travel lanes, and nightly from 11 p.m. to 7 a.m. Having vehicles off the street helps the snowplows do their work quickly and efficiently.

November 11 has been set aside as a day to remember and honor our veterans. The American Legion Auxiliary are planning a dinner in honor of all veterans on Friday, November 4. This dinner is free for all veterans, and \$5 for spouses and guests. A delicious Chicken Cordon Bleu dinner will be served, and the musical comedy group “The Blowhards” will entertain. More information on this fun event can be found on the front page of this newsletter.

November is also election time. This year we will choose a new president for our country. Voting is one of the fundamental processes instrumental in the development of a healthy democracy. Voting gives us the right, which so many people in other parts of the world do not have, to express our opinions. This opportunity will be available to all registered voters on November 8. Although some feel their vote is not important, I am reminded of a recent Santaquin election where three votes made the difference. I strongly urge you to take advantage of this uniquely American opportunity to have your voice heard.

All the Best,  
Mayor Kirk Hunsaker
