

## Santaquin Recreation:

### Youth/Adult Sport Sponsorship Opportunities

Our goal is to provide individuals with a safe and organized environment in which they may experience the many benefits sports have to offer. We put fun first in our sports and encourage individuals to develop their skills in a recreational atmosphere. Individuals participating in our programs improve self-esteem and confidence, learn about team work and cooperation, improve health and fitness levels, build relationships, develop fundamental skills, and improve existing skills.

We are reaching out to close and local business for your help to assist us in providing the best experience we can for our teams in our sports. We want to make our sports are something to remember for all of the individuals that participate and you can help us with that by sponsoring our leagues and/or our end of season tournaments. With sport comes a price of uniforms and end of season tournaments. Any little bit helps.

Please take a look at the following options and see if this is something that you would like to support our sports with for a season or yearly.

The following sponsorships are for the end of season tournaments. With the price it will include the following:

- *Logo on all e-mails and schedules going out to all the participants families*
- *If we have your banner, we will hang it up at the championship game (if no banner you can provide one)*
