Photo Contest Winner

The winner of the June Photo Contest is Ruth Nilson.

She submitted this photo, saying, "I was able to witness this gorgeous

sunset in Summit Ridge. My husband and I pulled over to watch it. Being able to witness some of the most breathtaking sunsets is something I will always love about Santaquin! We are so lucky to live in such a beautiful place!" Congratulations, Ruth!

For information on entering the monthly contest you can visit: <https://bit.ly/3NBNjum>

Hidden Picture Contest

If you spot the hidden seashells like those on the right in this newsletter, email:

kmortensen@santaquin.org or bshupe@santaquin.org with the location and your contact information by 8/31/2024 to be entered in a random drawing for a prize.

Congratulations to Kathy Stoddard for winning June's Hidden Picture Contest!

Volunteer of the Month

Trevor Wood is our August 2024 Volunteer of the Month and will be recognized on August 6th during our City Council meeting.

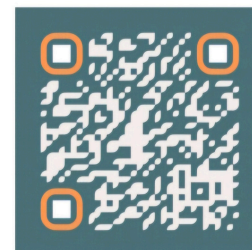

Trevor has served on our City's Planning Commission for the past 10 years, and for many of those years he has been Chair of the commission. When asked why he has served and continues to serve on the Planning Commission, he stated, "I wanted to find a way to learn more about and contribute to the City shortly after my family and I moved to Santaquin. After spending several date nights with my wife attending City Council meetings, Mayor Kirk Hunsaker asked if I would be willing to to serve on the Planning Commission.

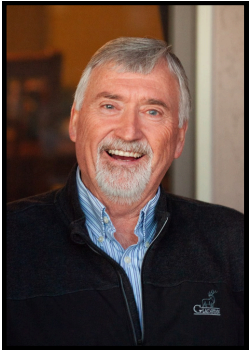

I accepted, and through the years have enjoyed learning the details of how the City works. I'm grateful for all the hard work of the City staff and the other Planning Commissioners. I am just one of many that contribute to the process and implementation of each new project." As a graduate of UVU in Computer Science, Trevor works for NOV as a Firmware Engineer. He spent most of his youth in Orem and graduated from Orem High School. He married his sweetheart, Mayke, in 2006 and they are in the middle of raising their three beautiful children. In his spare time, Trevor enjoys anything outdoors. Part of the reason they moved to Santaquin was to enjoy the beautiful mountains that surround our community with the outdoor activities they provide such as hiking and camping. Thank you, Trevor, for your years of service on our Planning Commission. Your dedication is appreciated more than you know!

Check out all the cool stuff on the horizon!

Scan ME!

What a great place to live! The City Orchard Days celebration is on. A few changes have been made, yet all the usual celebration events are in order. I hope you have looked at the parade route on 100 south and picked a fine spot to view it from.

The contractors on the Main Street project are not going to interfere with our celebration activities. I hope that you can see they are making great progress on the project.

It has been a tough four months getting through the first phase of the Santaquin Main Street project. We continue to work with the utility companies, the contractor, UDOT and the businesses along the route. There is the remainder of the first phase to finish before the current construction season ends. Then we should have a bit of a breather through the winter.

The majority of the funds to pay for this project are Utah County and State dollars that were awarded five years ago and updated this past December. Santaquin dollars are just a small percentage of the funding. We continue to work to ensure the job is completed correctly, within specification, and within budget.

Next year will be the continuation of the project with phase two from 100 west to near the UDOT shed. With phase two we feel it will move smoothly, on schedule, and within budget.

I hope you all have been and continue to support our downtown businesses. For me, it has not been difficult to drive to a convenient parking area and gain access to these businesses during this construction. Please continue to support the great people and the work they do to make our life better.

I am still hoping for a little more rain and cooler temperatures as the last month of summer is upon us. May each of you have a great summer. May we all have the best time this year as we support the Santaquin Orchard Days celebration and especially attend the Rodeo.

I look forward to seeing everyone join at the events.

Mayor Dan Olson
