STANDARD TERMS AND CONDITIONS**

1. **AUTHORITY:** Provisions of this contract are pursuant to authority set forth in the Utah Transportation Code §§ 72-3-102, 105, and 107; the Utah Procurement Code §§ 63g-6a-101 et seq., and Utah Admin. Code r. R33. (*Provision revised June 22, 2016.*)
2. **CONTRACT JURISDICTION AND COMPLIANCE WITH LAWS:** The provisions of this contract shall be governed by the laws of the State of Utah. Also, the CONSULTANT and those engaged by the CONSULTANT shall comply with all Federal, State and local laws, regulations and other legally binding requirements that pertain to the services provided under this contract. The CONSULTANT shall furnish proof of its compliance with state licensing requirements to the LOCAL AUTHORITY and the DEPARTMENT upon request.
3. **RECORDS ADMINISTRATION:** The CONSULTANT shall maintain all books, papers, documents, accounting records and other evidence to support costs billed for under this contract. These records shall be retained by the CONSULTANT for a period of at least six (6) years after the contract terminates, or until all audits initiated within the six years have been completed, whichever is later. These records shall be made available at all reasonable times during the six-year period for audit and inspection by the LOCAL AUTHORITY or the DEPARTMENT and other authorized State or Federal auditors. The CONSULTANT'S records supporting the cost proposal shall also be retained and made available for review by authorized Federal or State staff. FEES

**COST PLUS A FIXED FEE
WITH FIXED TOTAL ADDITIVE RATE**

1. **COST PLUS A FIXED FEE:** For all services and materials pertinent hereto and/or specifically described herein, except as otherwise explicitly cited, the LOCAL AUTHORITY agrees to pay the CONSULTANT for the actual allowable cost and the FIXED additives plus a fixed fee. Overhead rates have been reviewed, approved, and are limited to the costs which are allowable under 2 CFR Part 200 Subpart E Cost Principles.

The contract cost includes direct labor expense, payroll additives; indirect costs and other direct non-salary costs as outlined below.

Guest meals (meals paid by a consultant or a consultant's employee for someone other than his/her self) shall not be eligible for reimbursement unless previously approved in writing by the DEPARTMENT Project Manager and the LOCAL AUTHORITY.

- (a) The direct labor expense is the actual salary expense for professional and technical personnel and principals for the time they are productively engaged in work necessary to fulfill the terms of this contract. The payroll additives and indirect costs are FIXED as 184.94% of the direct salary expense.
- (b) If necessary and DEPARTMENT approved, any additional direct expenses incurred in fulfilling the terms of this contract, including but not limited to travel and lodging, reproduction, telephone, equipment, supplies and fees of outside CONSULTANTS or sub-consultants will be reimbursed at actual costs.

If the CONSULTANT'S normal accounting practice is to include some of these costs as indirect expenses, then this contract will be consistent with that practice. These types of costs must be disclosed as part of your accounting practices and in conformance to Federal Cost Principles.

- (c) The fixed fee has been determined and agreed upon as 10.50% of the combined estimated direct labor and the Overhead amount, which represents the CONSULTANT'S profit of \$5,980.33. The fixed fee percentage is not a floating percent and should not be billed as a percent of labor. Rather, the fixed fee payment will be prorated and paid regularly in proportion to the percentage of work completed as reflected by the periodic invoices; that is, on the same ratio as the invoice cost bears to the originally estimated total for CONSULTANT'S actual cost which is the maximum amount payable minus the fixed fee. Any portion of the fixed fee payment not previously paid in the periodic payment will be covered in the final payment.

Overruns in the costs of the work do not warrant an increase in the fixed fee, but significant changes to the Scope of Work may require adjustment of the fixed fee in the contract as evidenced by a contract modification.

2. **MODIFICATIONS:** In the event the LOCAL AUTHORITY requires changes of services which materially affect the scope or work plan, with a resulting material increase in cost to the CONSULTANT, a contract modification for additional compensation and time for completion shall be entered into by the parties hereto prior to making such change. Any such work done without prior LOCAL AUTHORITY and the DEPARTMENT agreement shall be deemed ineligible for reimbursement by the DEPARTMENT. The LOCAL AUTHORITY will not entertain requests or claims for reimbursement and remuneration unless written approval is given prior to performance of the work.
3. **PROGRESS PAYMENTS:** Progress payments are based upon the approved percentage of work completed and are made pursuant to certified invoices received.
4. **INVOICES:** The CONSULTANT will submit monthly payment requests promptly and no later than 45 calendar days after each monthly billing cycle. Invoices are to reflect charges as they apply to the appropriate contract, project, and account number, and must be certified and executed by an official legally authorized to bind the firm. The invoice must be substantiated with appropriate supporting

documentation such as time sheets, labor reports, or cost accounting system print-out of employee time, receipts for direct expenses, and subconsultant invoices and supporting documentation that is reviewed and approved by the DEPARTMENT'S Project Manager and subject to final approval by the DEPARTMENT'S Comptroller's Office. The DEPARTMENT will make undisputed payments no later than 30-days after receiving CONSULTANT's invoices and progress reports for services performed. If an invoice is incorrect, defective or otherwise improper, the DEPARTMENT will notify CONSULTANT within 15 days of discovering the error(s). After the DEPARTMENT receives the corrected invoice, the DEPARTMENT will pay CONSULTANT within 30-days of receiving such invoice.

Payment requests for services performed on or before the last day of the Utah fiscal year (June 30), must be submitted no later than 30 calendar days after the billing cycle, see Utah Code Ann. § 63J-1-601.

The CONSULTANT acknowledges untimely billing may adversely affect the LOCAL AUTHORITY and the DEPARTMENT due to federal funding requirements in 41 CFR § 105 – 71.123, and/or the state fiscal constraints imposed upon it as a department of state government by the Budgetary Procedures Act, Utah Code Ann. § 63J-1-101 et seq. The CONSULTANT waives payment, and waives the right to bring action in law or in equity to recover payment for services, for any and all payment requests the DEPARTMENT does not receive from the CONSULTANT within the timeframe provided under this contract. (*Provision revised June 22, 2016.*)

5. **FINAL PAYMENT:** Final invoice payment will be released only after all materials and services associated with this contract have been reviewed and approved by the DEPARTMENT'S Project Manager and finalized by the DEPARTMENT'S Comptroller's Office. The final invoice payment will not be released until a project evaluation form has been completed by the LOCAL AUTHORITY and the DEPARTMENT'S Project Manager and submitted to Consultant Services and the Comptroller's Office.

The DEPARTMENT'S Project Managers and the Comptroller's Office have the right to hold the final payment on certain projects when design and construction are performed by two separate Consultants or if there is a potential possibility of a design or construction error. The DEPARTMENT Comptroller's Office also has the right to hold the final invoice payment until the final audit is complete upon the request of the DEPARTMENT Project Manager.

6. **FINANCIAL SUMMARY:** The total maximum amount of disbursement pertinent to this contract shall not exceed **\$69,262.76** Contract overruns will not be paid.
7. **COST PROPOSAL:** The overhead rate shown in the CONSULTANT'S and/or sub-consultant's cost proposal has been determined and agreed upon by the parties and is included in this contract. The CONSULTANT will invoice the DEPARTMENT using the actual Wage Rates, FIXED Overhead, prorated Fixed Fee, and any additional Direct Costs. Invoices submitted to the DEPARTMENT must reflect the staffing plan and associated hourly wage rates, labor hours used, and other costs submitted in the CONSULTANT cost proposal.

The Cost Proposal for the CONSULTANT and/or sub-consultant, if applicable, may be found in Attachment D of this contract.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO Utah Department of Transportation (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
